**PARENT(S)/GUARDIAN NAME:** \_\_\_\_\_  
(Please Print)

**SIXTH GRADE REQUIRED COURSES**

The Middle School will assign all the required courses. The courses assigned within a team structure include communication arts, geography, science, and math. In addition, all students will have courses in physical education and family and consumer education with career planning. An exploratory wheel will include art, dance, and technology education/computer applications.

**FINE ARTS (Music)**

**STUDENT MUST SELECT “ONE or TWO” – (Circle only one if you want that music choice daily. Circling two music choices means meeting each class on alternating days.)**

See the reverse side of this card for course descriptions. Please Note: **Once selections are made, changes are rarely possible. Commitment to selection is necessary.** Students selecting orchestra must have had orchestra in fifth grade or have taken private lessons.

1. **BAND** – Are you currently in 5<sup>th</sup> grade band? \_\_\_ Yes      \_\_\_ No  
If yes, what instrument do you play? \_\_\_\_\_

2. **ORCHESTRA**

3. **CHORUS**

If your child currently receives any services listed below, please check mark the general area and circle the specific disability area or ELL level.

**Parent Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**RETURN THIS FORM** along with the application form to Kaleidoscope Academy’s office at 318 E. BREWSTER ST., APPLETON, WI 54911

## ***Fine Arts (Music)***

Each student is required to participate in a Fine Arts class. There are three options to select from. The performing classes are band, orchestra and chorus.

**BAND** – Students selecting band will either have experience and continue or start new and meet with the band teacher in early fall of the year to try a variety of instruments and select an instrument. Band is a performing group requiring students to perform in public at school concerts during the year. Students are expected to practice on their own out of school.

**ORCHESTRA** – Students selecting orchestra have had experience in elementary school or have special permission of the middle school orchestra teacher. Orchestra is a performing group requiring students to perform in public at school concerts during the year. Students are expected to practice on their own out of school.

**CHORUS** – Students selecting chorus should have an interest and desire to perform vocal music in a large group as well as small ensembles. Chorus is a performing group requiring students to perform in public at school concerts during the year. Students are expected to practice on their own out of school.

**Special Note:** If scheduling and staffing allow, the exploratory wheel will include theater/drama).
