

# Kaleidoscope Summer Family Newsletter 2023

**Hello, KA families!**

We are excited to welcome you to the 2023-24 school year! Kaleidoscope is a project-based, inquiry-based, arts integrated charter school that offers students a voice and choice in their learning and elective classes.

In addition to the district Online Registration process on Infinite Campus, Kaleidoscope Academy has a school specific registration process. For your convenience, we will have a fully virtual registration process this year. Scan the QR code for an instructional video, then visit the link to access the KA virtual registration.

If you would like to register in person, visit us the week of August 14-18 anytime from 8 am-2 pm. We will have computers available for you to complete AASD and KA registration. Appointments can be made outside of these days/times by calling the main office at 920-832-6294.
